Modelling Competition with prizes at a total value of more than € 1,000!

Participate on
www.noch.de/aus-alt-mach-neu

This year again, NOCH has invented a great competition for you: »Renovate« your landscape and win prizes at a total value of more than € 1,000!

How it works:

1. First, take a »before« digital photo of a section of your model railway layout or your diorama.
2. Then, decorate this section with new accessories, rebuild or renovate it. Whether you add »only« small scenes, convert a flat area into rocky mountains, transform an asphalt court into a park area or even change buildings – that's your choice!
3. Take a photo of the rebuilt scene.
4. Visit the NOCH website www.noch.de/aus-alt-mach-neu, upload your »before« and »after« pictures and you immediately take part in the competition!

Now, all people visiting the NOCH website have the chance to evaluate your pictures during the promotional period of 1st October 2014 to 6th January 2015. There are attractive prizes and shopping vouchers at a total value of more than € 1,000 for the best ten scenes. You can find more information about the competition and your participation on www.noch.de.

Participation conditions: Persons who are at least 14 years old are eligible for participation, except employees of NOCH GmbH & Co. KG as well as their relatives. Legal action is excluded. A disbursement of the prize cannot be claimed for.

Date Protection Note: Your personal data will be used and recorded for the processing of the competition. You can disagree with the recording and use of your data at any time and ask for deletion. If you wish additional information on our products, e.g. by our e-mail newsletter, you can inform us when uploading your photos to our website. You can upload your photo to our website under your own nickname appearing next to your project.

We wish you a lot of fun and good luck in participating in our competition!
