- One-time, strictly limited edition
- High-quality printing in a special design
- Used in front of ÖBB Railjet trains
- With an additional pantograph and the "Switzerland package"
- Elaborate roof design
- Z21 driver's cab available

Under the motto "Football unites Europe," Model railway manufacturer ROCO promoted unity among football fans across the continent in 2024 with a specially designed ambassador locomotive. After all, football knows no borders and brings people together. The locomotive was adorned with dynamic match scenes, flags of several participating nations, and various European-themed elements. This Taurus locomotive was used to haul ÖBB Railjet trains in Austria, Germany, and Switzerland.
