

Electric locomotive 193 958-6, LTE

7500100 |

269,90€

Photomontage

Electric locomotive 193 958 of LTE Logistik- und Transport-GmbH.

- Model exclusively available from ROCO
- Intricate printing
- Multicoloured driver's cab rear wall and control panel
- Operates in international freight transport
- Free-standing grab rails, some made of metal
- Detailed roof design
- Headlight/tail light switchable with a DIP switch

Some of the locomotives owned by LTE Logistik- und Transport-GmbH in Graz feature striking designs. The Vectron multi-system locomotive 193 958, which has been in service with LTE since 2023, was incorporated into the LTE fleet in March 2023. The locomotive displays the slogan "100 Trucks & Cars – One Train" on adhesive vinyl. This highlights that rail freight transport is more environmentally friendly than road transport. The machine is equipped with the country package D-A-H-CZ-SK-PL-RO-BG-SLO-HR-SRB.

General data

Coupling	NEM shaft 362 with close coupling mechanism
Minimum radius	358 mm
Flywheel	yes
Number of driven axles	4
Number of axles with traction tyres	1
Article number	7500100
EAN	9005033070120
Scale	H0
Epoch	VI

Electrical

Head light	3 headlight, dependent on the direction of travel/2 tail lights, dependent on the direction of travel
LED head light	yes
Additional light function	yes
Control	DC Analog
Interface	Electrical interface for traction units PluX22

Measurements

Length over buffer	218 mm
