

Electric locomotive Re 6/6 11646, SBB Cargo

7500160 | **SBB**

railway company: SBB

299,90€

Photomontage

Electric locomotive Re 6/6 11646 of the SBB Cargo.

- Prototype-accurate different window frames on the front windows, making them a special feature
- With the "Bussigny" coat of arms
- With round lamps and air conditioning
- Finely fitted etched parts such as ventilation grilles and windscreen wipers

Re 6/6 11646 "Bussigny" retained its green livery until 2017, when it was repainted in the current classic SBB Cargo design. This made it the second last Re 6/6 locomotive to carry the original green livery.

General data

Coupling	NEM shaft 362 without close coupling mechanism
Minimum radius	358 mm
Flywheel	yes
Number of driven axles	4
Number of axles with traction tyres	1
Article number	7500160
EAN	9005033384050
Scale	H0
Epoch	V-VI
Railway Company	SBB

Electrical

Motor	5-pole motor
Head light	Light changeover true to the Swiss original.
LED head light	yes
Control	DC Analog
Interface	Electrical interface for traction units PluX22

Measurements

Length over buffer	222 mm
