

Electric locomotive 7193 601-0, CargoServ

7500267 | **Privatbahn**

railway company: Privatbahn

269,90€

Photomontage

CargoServ electric locomotive 7193 601.

- Featuring a new design of the rail cleaner
- Used in international freight transport
- Free-standing handrails, partly made of metal
- In cooperation with Railcolor Design

The CargoServ electric locomotive 7193 601 is a Siemens Vectron AC type locomotive. It was taken over by the leasing company ELL in December 2025. It is the first locomotive to operate in the new CargoServ livery, heralding a new era in the fleet's appearance. The locomotive is primarily used for voestalpine Stahl's circular services and on the Tauern route.

General data

Coupling	NEM shaft 362 with close coupling mechanism
Minimum radius	358 mm
Flywheel	yes
Number of driven axles	4
Number of axles with traction tyres	1
Article number	7500267
EAN	9005033398170
Scale	H0
Epoch	VI
Railway Company	Privatbahn

Electrical

Head light	3 headlight, dependent on the direction of travel/2 tail lights, dependent on the direction of travel
LED head light	yes
Control	DC Analog
Interface	Electrical interface for traction units PluX22

Measurements

Length over buffer	218 mm
